Live Online Services, LLC. ("Live Online Services ") procures or retails products that are manufactured by third-party companies. The defects in materials and workmanship under normal use for a period of 60 days from the date of the retail purchase or subscribed service by the original end-user purchaser may be refunded or replaced based on respective manufacturer's applicable warranty. If a hardware defect arises and a valid claim is received within the 60 days period of the purchase, Live Online Services will either (1) repair the hardware defect at no charge, using new or refurbished replacement parts, (2) exchange the product with a product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original product, or (3) refund the purchase price of the product. Live Online Services may request that you replace defective parts with new or refurbished user-installable parts that Live Online Services provides in fulfillment of its customer obligation. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes Live Online Services property. Parts provided by Live Online Services in fulfillment of its customer obligation must be used in products for which service is claimed. When a refund is given, the product for which the refund is provided must be returned to Live Online Services and becomes Live Online Services property.
